Much More than a Sticker, It's a Stickler™!

Sticklers bring friends and family together for a fun activity. Personalize plastic, metal, glass or paper items. Simply apply gold or silver sticklers and easily color-in with special 3-D ink pens. Super simple with impressive results. Perfect for play dates, birthday parties & travel.

Sticklers are an easy way to add your own stylish touch to cards, wedding stationary, notebooks, and personal electronics like cell phones or MP3 players. Sticklers kits utilize metallic colored die-cut outline stickers with 3 coordinating special craft pens that can write on virtually any non-porous surface. Glaze® pens feature glossy transparent colors on lighter surfaces. Use on clear plastic sheets – for a "stained glass effect". Soufflé™ pens offer matte opaque pastel colors perfect for darker surfaces such as cell phones and PDAs. Both 3-D pen inks adhere to a wide range of surfaces and yet can be removed by carefully peeling off the sticker and color. A full range of Glaze and Soufflé ink pen colors are available separately.

Technical Qualities
