Decorate & Cut

1. Decorate the template, filling in the BLANK squares only (refer to guide).
2. Cut out the template along the thick outer line.
3. (Optional) Color the back side with a solid color.
4. Cut along the remaining solid lines to create 6 individual squares.

To Fold

1. Fold in half along one of the dashed lines. The text should face out. Open.
2. Fold in half along second dashed line. Open.
3. Fold along diagonal dashed line. Open.
4. Bring the two arrows together to meet. Pinch the fold at the bottom.
5. Bring one of the remaining corners in to meet the arrows, pressing the center inward. Crease.
6. Repeat Step 5 with other corner.
7. Repeat the folding process for the remaining 5 squares.

To Glue

1. Take one of your folded squares and place it so that the word GLUE is readable. Using a glue stick, spread glue along the face marked GLUE.
2. Glue a second square to the first, making sure the words GLUE are facing the same direction.
3. Repeat this process until all 6 squares are glued together on top of one another.

MAGIC STEP

Add glue to the two remaining faces marked GLUE. Gently bring the ends together to meet. Press to secure bond. Voila!
