

MICRON®

Introducing the next generation of our iconic precision fineliners. Enjoy the same trusted pigment ink and professional performance, now:

- Made with 75% recycled materials*
- Featuring a Mindful Green barrel inspired by nature

For over 100 years, Sakura has celebrated creativity with quality, detail, and respect for all living things. Guided by our Japanese heritage, we continue to create in harmony with nature.

*Green Pen Barrel and Cap are 100% recycled plastic resin. Ink, ink reservoir, and nib not recycled.
